Step 1) Start with the white side up. Fold in half and unfold.

Step 2) Fold in half the other way and unfold. Flip the paper around.

Step 3) Fold and unfold along the diagonals.

Step 4) Rotate the paper and flip it around.

Step 5) Collapse along the dotted lines to create a Square Base.

Step 6) Squash fold one of the flaps.

Squash fold in progress.

Step 7) Flip the paper over and repeat step 6.

Step 8) Fold the top flap to the left and repeat step 6. Turn over the paper and repeat this again.

Step 9) Fold and unfold to the center line.

Step 10) Petal Fold the flap, using the folds from step 9.

Step 11) Fold the flap downwards.

Step 12) Swivel fold the left and right flaps out without disrupting the top triangular flap.

Step 13) Repeat steps 9-12 on the remaining 3 flaps.

Step 14) Fold one flap over on the front and back.

Step 15) Rotate the model.

Step 16) Fold the edges to the center line.

Step 17) Repeat step 16 on the remaining 3 flaps.

Step 18) Fold down on the dotted line on all 4 sides, opening up the iris petals.

Completed model!!
