STEP 1: Use a square sheet of paper. White side up.

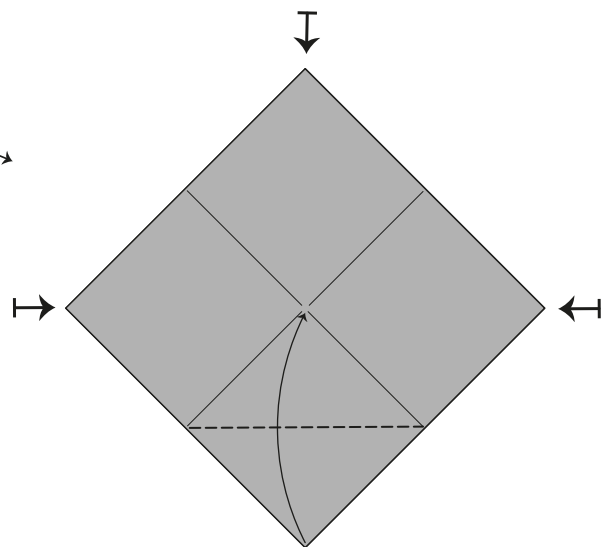

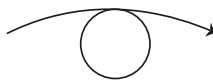

STEP 2: Join opposite vertices to mark diagonals. Unfold after each movement.

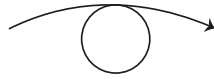

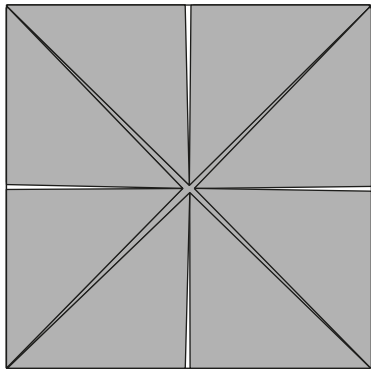

STEP 3: Bring vertex to the center. Repeat with the other vertices.

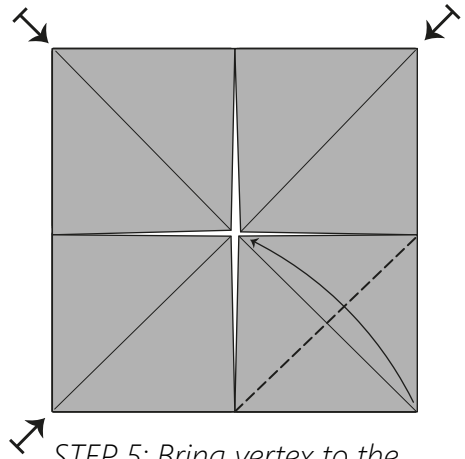

It looks like this. Turn over.

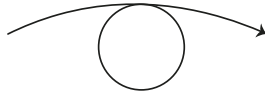

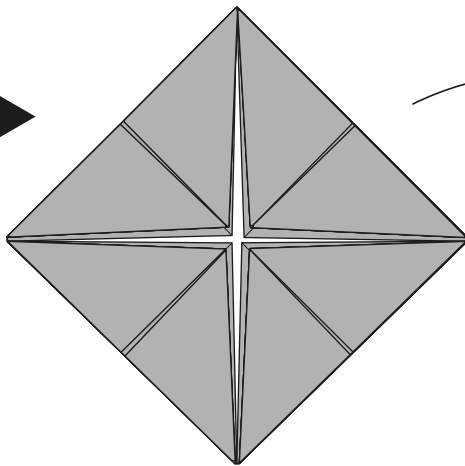

STEP 4: Bring vertex to the center. Repeat with the other vertices.

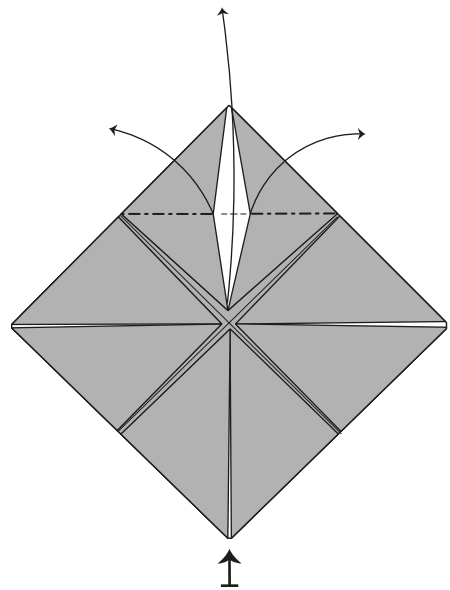

It looks like this. Turn over.

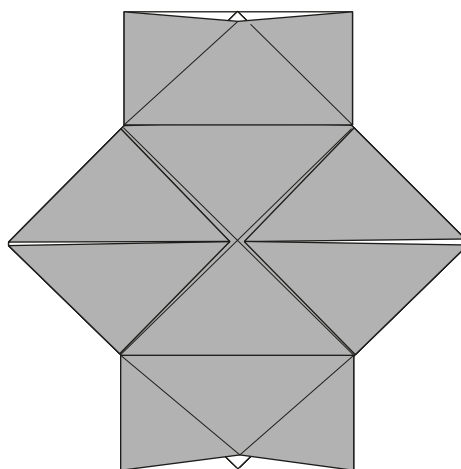

STEP 5: Bring vertex to the center. Repeat with the other vertices. (Last time)

It looks like this. Turn over.

STEP 6: Do the movements indicated only at the top and bottom end. (Open the paper and smash on the vertex).
