Lets ´prep the paper!  
Start with a 15 x 15 cm  
(6 x 6 in) square. Youll be  
able to make two heart  
bookmarks from one  
sheet.

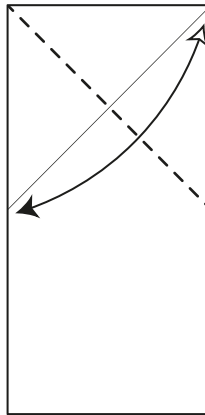

**STEP 1:** With the white side facing up, fold the paper in half vertically, then unfold.

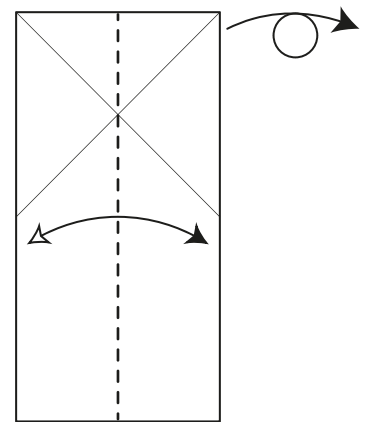

**STEP 2:** Cut along the crease from Step 1. Set one half aside and use the other for the bookmark.

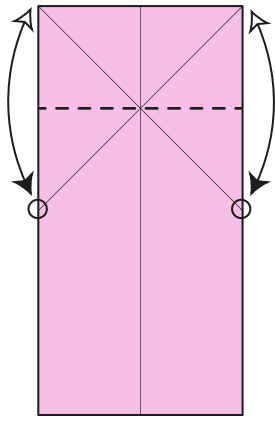

**STEP 3:** Fold the top edge to meet the right edge. Then, unfold.

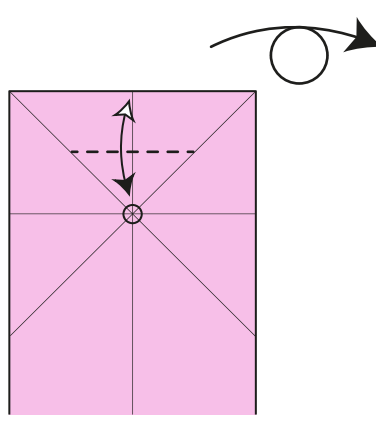

**STEP 4:** Fold the top edge to the left edge. Then, unfold.

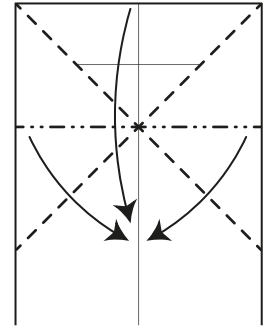

**STEP 5:** Fold and unfold in half vertically again. Then, turn the paper over.

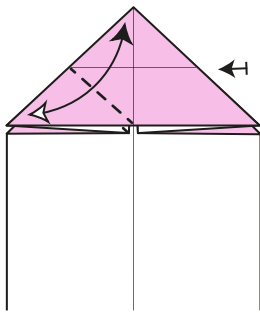

**STEP 6:** Fold the top edge down. The crease should pass through the point where the diagonal creases from Steps 3 and 4 intersect. Then, unfold.

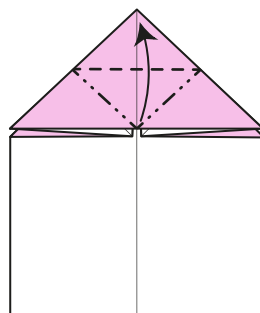

**STEP 7:** Fold the top edge down to the crease from Step 6. Only crease between the diagonal lines. Unfold, then turn the paper over.

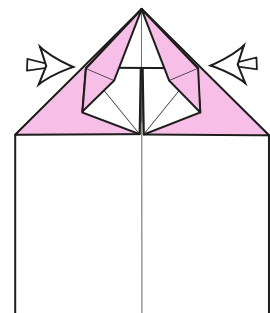

**STEP 8:** Collapse the paper along the existing crease into a waterbomb base.

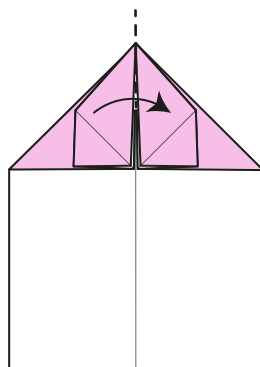

**STEP 9:** Fold and unfold the bottom edge of the top-left flap to the centerline. Repeat on the right side.

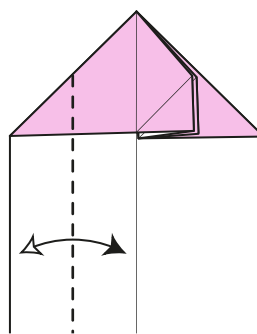

**STEP 10:** Bring the bottom edge of the top layer up and squash fold along the existing creases.

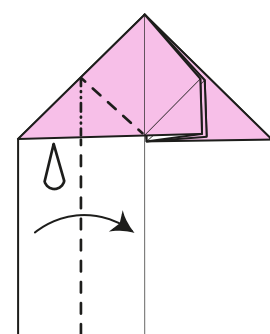

**STEP 10.5:** Folding in progress.

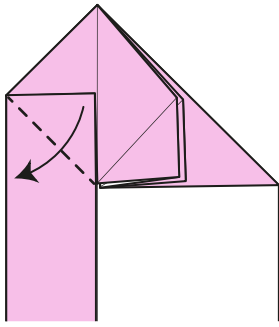

**STEP 11:** Flip the top-left flap over to the right.

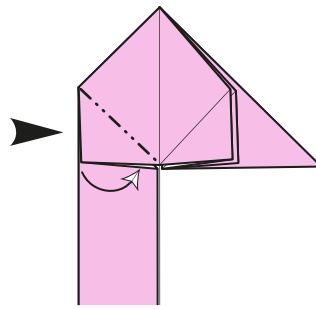

**STEP 12:** Fold the left edge to the centerline. Then, unfold.

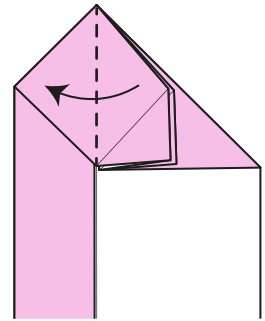

**STEP 13:** Lift the top layer and fold it along the crease made in Step 12 to create a new flap.

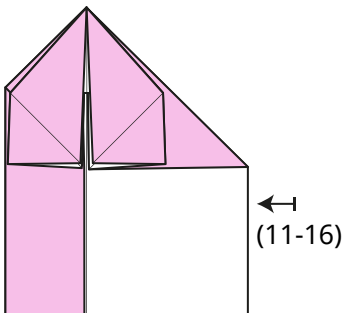

**STEP 14:** Bring the new flap down.

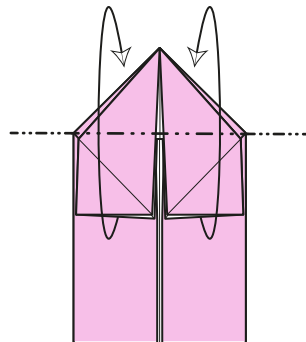

**STEP 15:** Inside reverse fold the new flap.

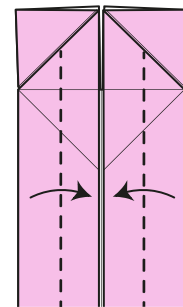

**STEP 16:** Flip the top-right flap over to the left.

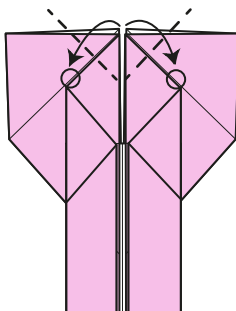

**STEP 17:** Repeat Steps 11 to 16 on the right side.

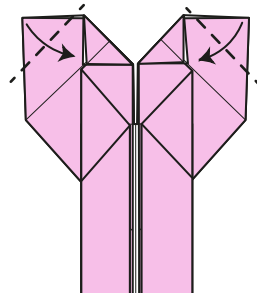

**STEP 18:** Fold the top flap up. The triangle portion at the top should fold behind the model.

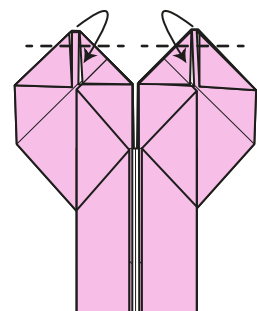

**STEP 19:** Fold both side edges to the centerline.

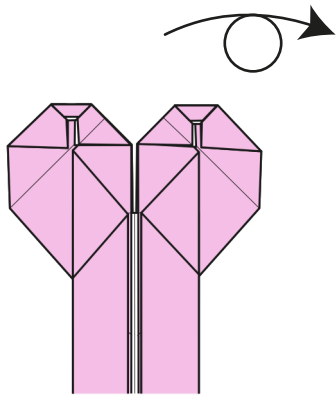

**STEP 20:** At the center, fold the left and right corners in to meet the reference points.

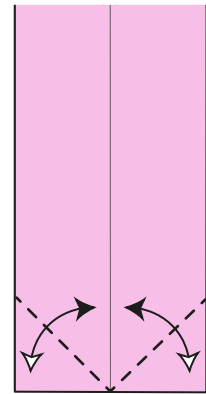

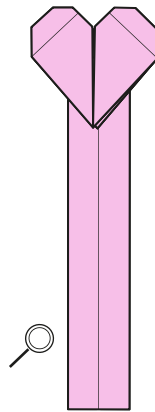

**STEP 21:** Fold the outer corners in so they align with the flaps folded in Step 20.

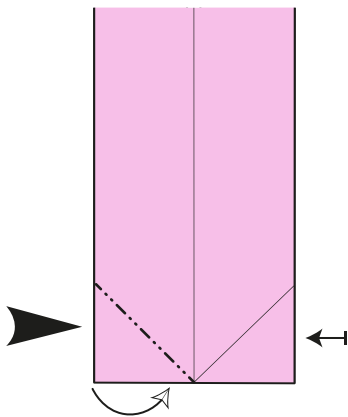

**STEP 22:** Fold the two tips down slightly to shape the heart.

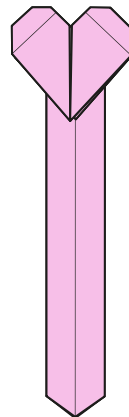

**STEP 23:** Turn the model over.

**STEP 24:** Fold the bottom left and right edges in to the centerline.

**STEP 25:** Inside reverse fold along the crease made in Step 24.

All folded with love! Your heart bookmark is complete.
