**STEP 1:** Start with the white side (the horns' color) of the paper facing up. Fold in half vertically and pinch the top edge to mark the center. Unfold.

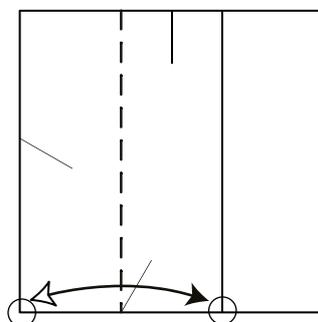

**STEP 2:** Bring the bottom left corner up to meet that pinch mark. Start the fold from the bottom right corner. Pinch the left edge to mark it, then unfold.

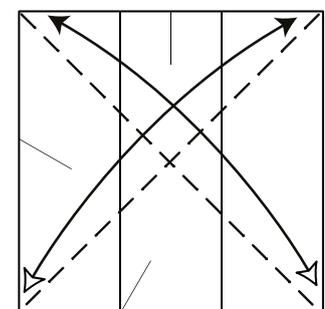

**STEP 3:** Bring the bottom right corner to the new pinch mark and pinch the bottom edge to mark it.

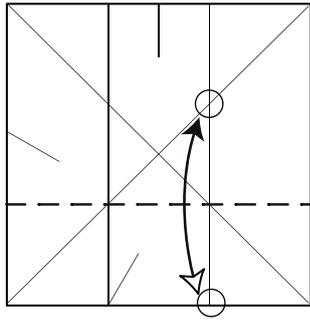

**STEP 4:** Fold the bottom right corner to the pinch mark you just made. Crease all the way to the top, then unfold.

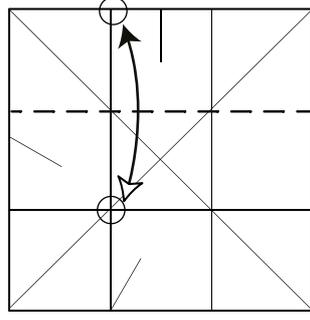

**STEP 5:** Fold the left edge over to meet the crease line from Step 4. Then, unfold.

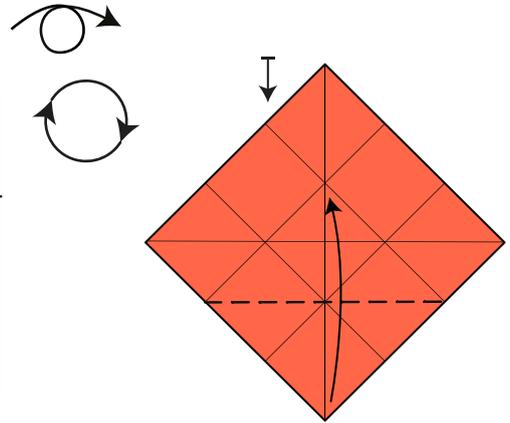

**STEP 6:** Fold and unfold both diagonals.

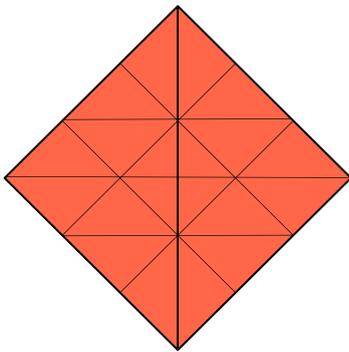

**STEP 7:** Fold the bottom edge up to the circled point. Then, unfold.

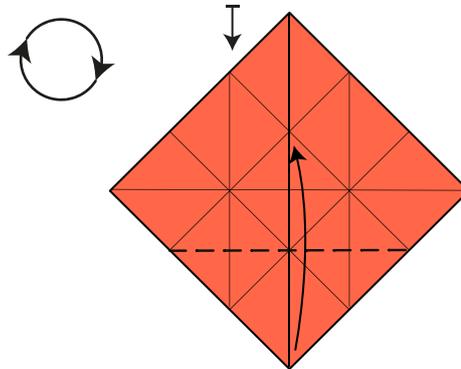

**STEP 8:** Fold the top edge down to the crease line from Step 7. Then, turn the paper over.

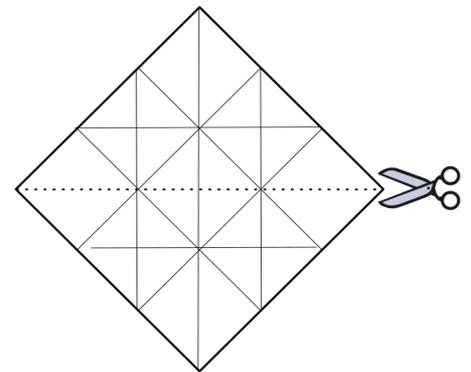

**STEP 9:** Fold the bottom corner up to the top square's bottom corner. Mirror the fold for the top corner.

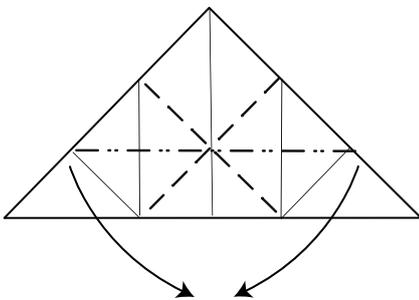

**STEP 10:** Rotate the paper 90° clockwise.

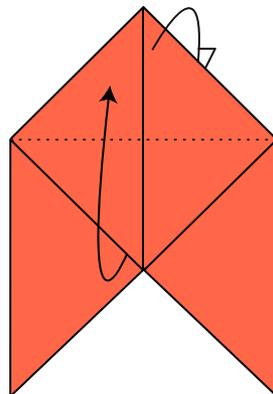

**STEP 11:** Repeat Step 9 on the top and bottom corners.

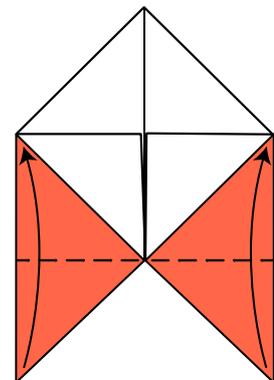

**STEP 12:** Cut the paper in half along the horizontal diagonal.

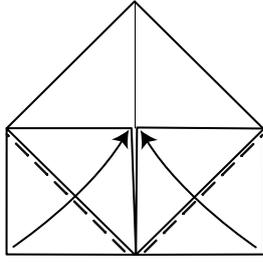

**STEP 13:** Collapse the model along the existing creases.

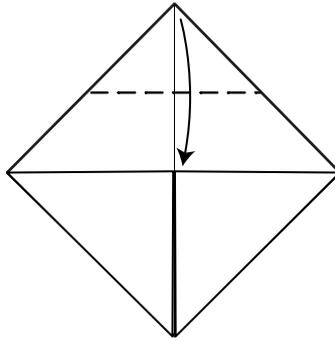

**STEP 14:** Fold the top triangular area to the back. The front flap will move up.

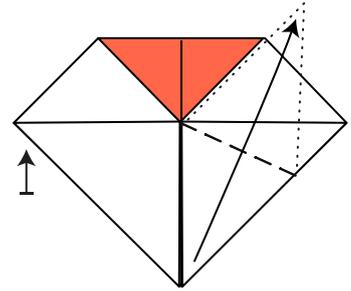

**STEP 15:** On each side, fold the colored triangle in half.

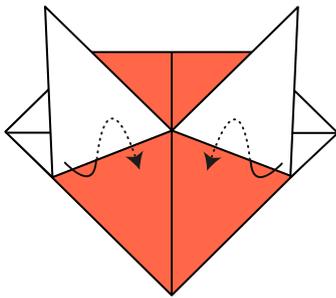

**STEP 16:** On each side, fold the bottom edge in to meet the vertical centerline.

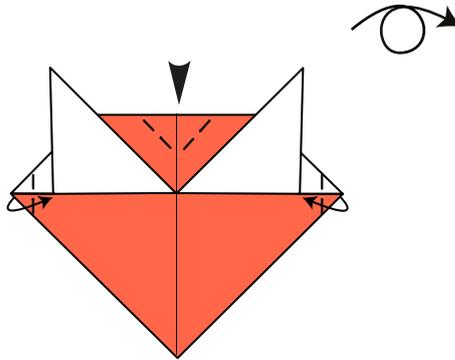

**STEP 17:** Fold the top corner down to the horizontal centerline.

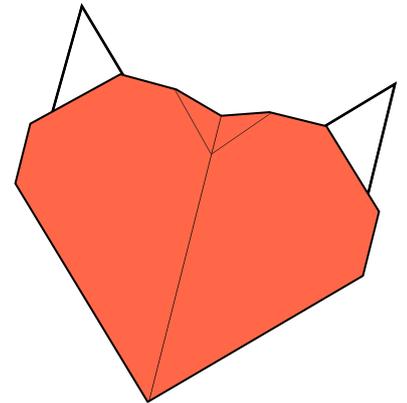

**STEP 18:** On each side, fold the top flap's inner edge up to meet the colored edge.

**STEP 19:** On each side, tuck the horn flap underneath the colored pocket.

**STEP 20:** Fold the left and right corners in to meet the nearest vertical line. Then, push the top edge downward to shape the center of the heart.
