STEP 1: Start with the colored side facing up. Fold and unfold along both diagonals.

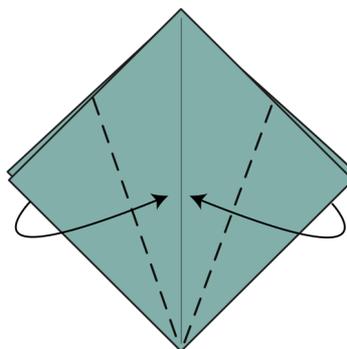

STEP 2: Turn the paper over.

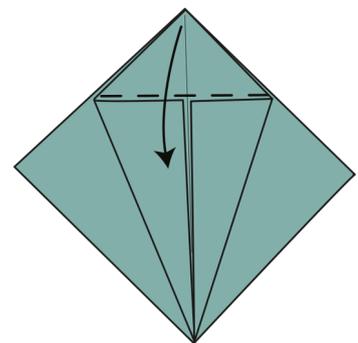

STEP 3: Fold and unfold side to side in both directions.

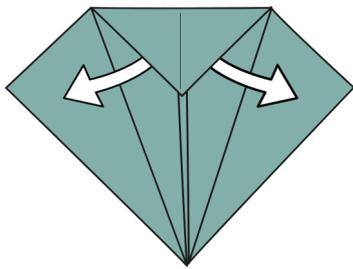

STEP 4: Collapse along the existing creases to form a Square base.

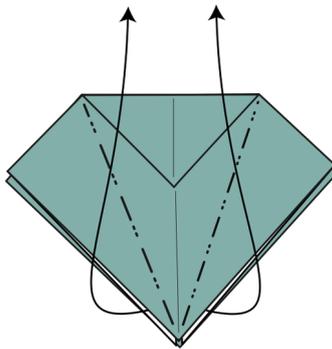

STEP 5: Fold the bottom edges to the centerline.

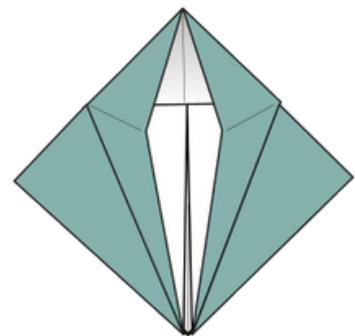

STEP 6: Fold the top corner down. Crease where the layers intersect.

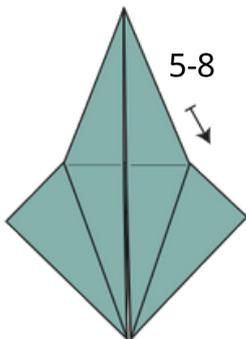

STEP 7: Unfold Step 5.

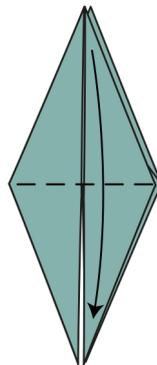

STEP 8: Petal fold the bottom corner upward (one layer only), using the existing creases.

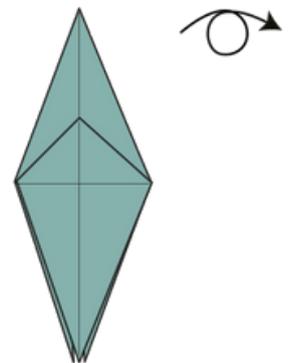

STEP 8.5: Petal fold in progress.

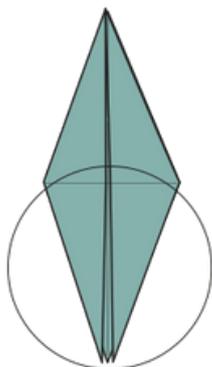

STEP 9: Repeat Steps 5 to 8 on the other side.

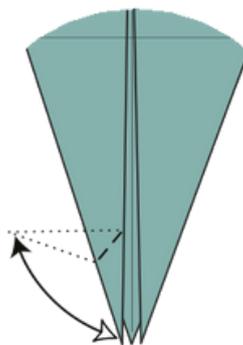

STEP 10: Fold the top flap downward.

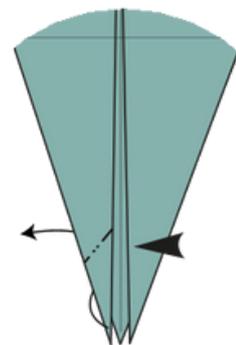

STEP 11: Turn the model over.

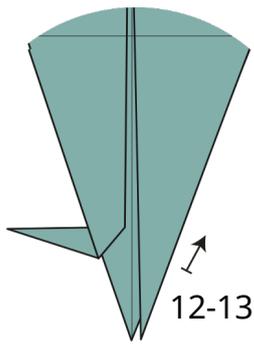

Zoom in.

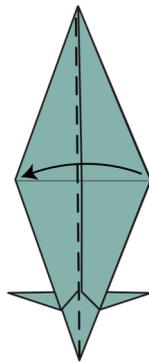

STEP 12: Fold the bottom left corner (top flap only) outward to the left. Crease well, then unfold.

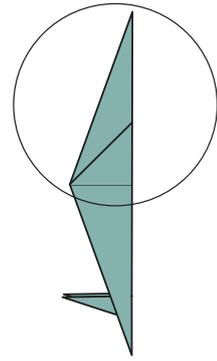

STEP 13: Inside reverse fold along the creases to form the first crow's foot.

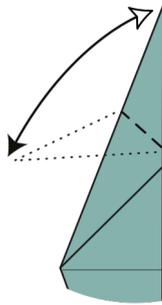

STEP 14: Repeat Steps 12 and 13 on the right side.

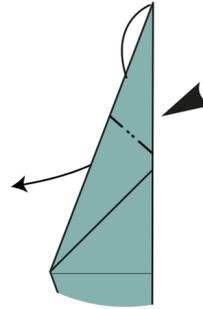

STEP 15: Fold the model in half from right to left.

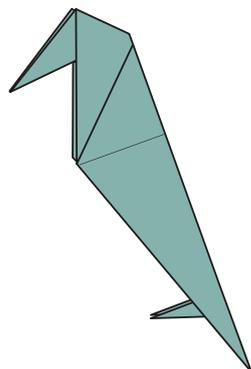

Zoom in.

STEP 16: Fold the top corner to the left. Crease well, then unfold.

STEP 17: Inside reverse fold along the creases to form the crow's head.

The completed origami crow!
