STEP 1: Start with a 2x1 rectangle (half of a square) with the white side facing up. Fold and unfold in half both vertically and horizontally.

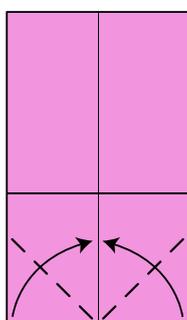

STEP 2: Fold the bottom edge up to the horizontal centerline. Pinch a small mark at the right edge, then unfold.

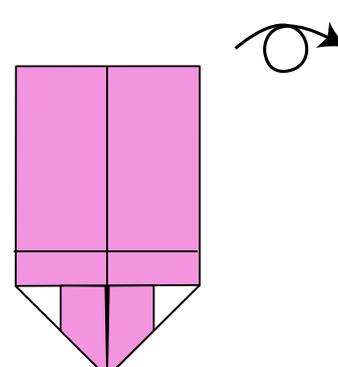

STEP 3: Fold the bottom edge up again, this time to the pinch mark you just made.

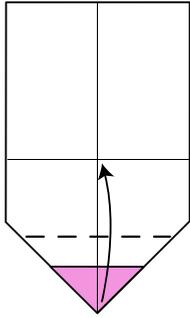

STEP 4: Turn the paper over.

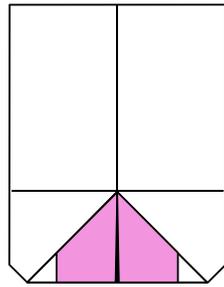

STEP 5: Fold both bottom corners in to meet the vertical centerline.

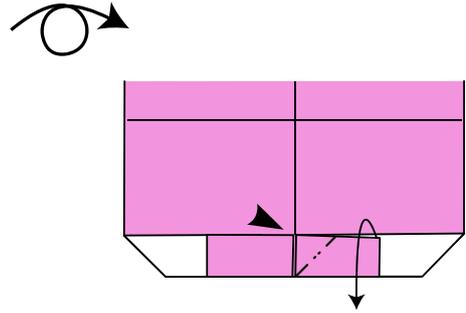

STEP 6: Turn the model over.

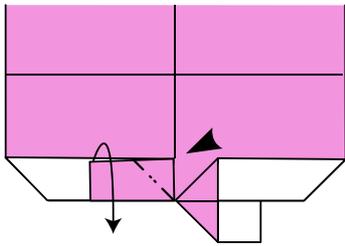

STEP 7: Fold the bottom corner up to the nearest horizontal centerline.

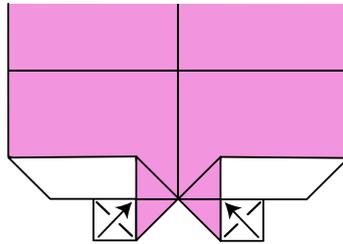

STEP 8: Turn the paper over.

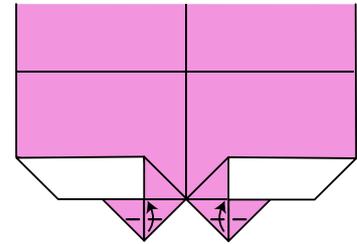

STEP 9: Lift the bottom right flap and squash it flat.

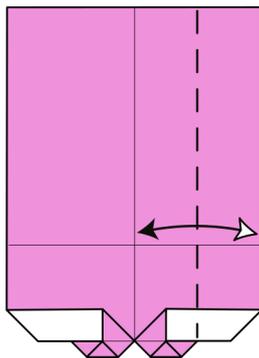

STEP 10: Repeat on the left side.

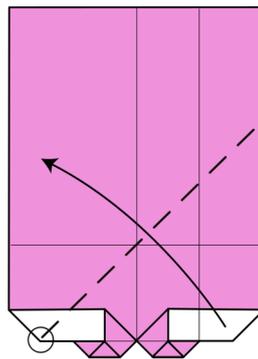

STEP 11: Fold the bottom left and right corners in to meet the nearest vertical crease.

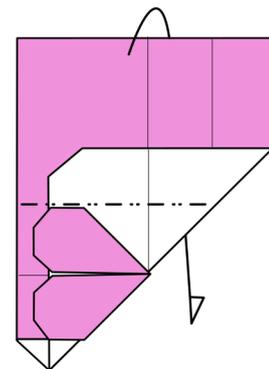

STEP 12: Fold both bottom corners up to the nearest horizontal line.

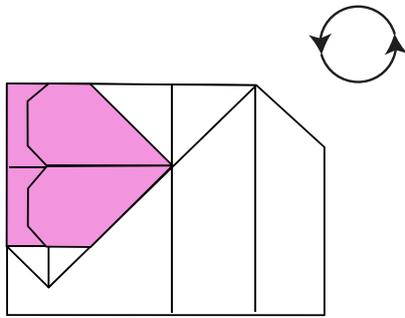

STEP 13: Fold the right edge to the centerline, then unfold.

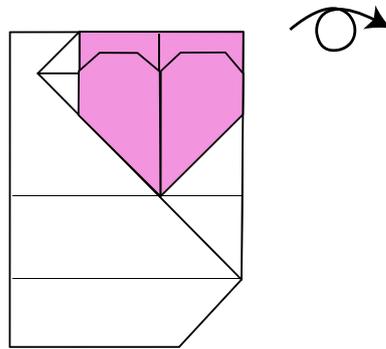

STEP 14: Fold the bottom right corner along the edge of the heart, starting at the circle point.

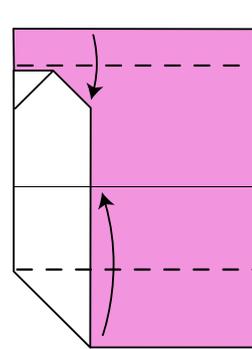

STEP 15: Mountain fold the top section down along the dashed line.

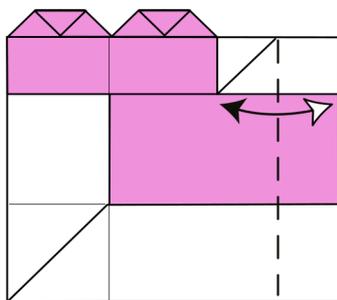

STEP 16: Rotate the model 90° clockwise.

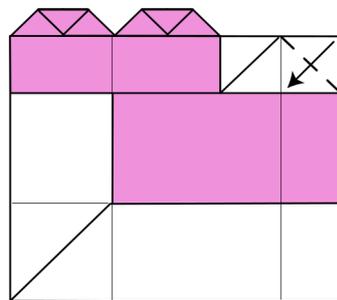

STEP 17: Turn the model over.

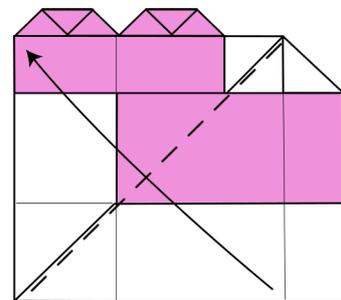

STEP 18: Fold both the top and bottom edges along the dashed lines.

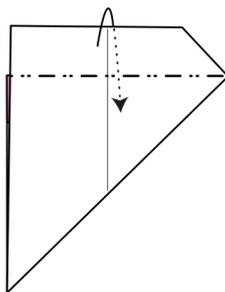

STEP 19: Fold the right edge to the nearest vertical line, then unfold.

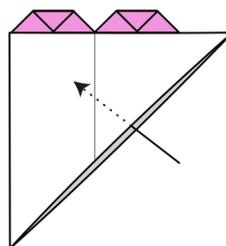

STEP 20: Fold the top right corner in to meet the nearest corner.

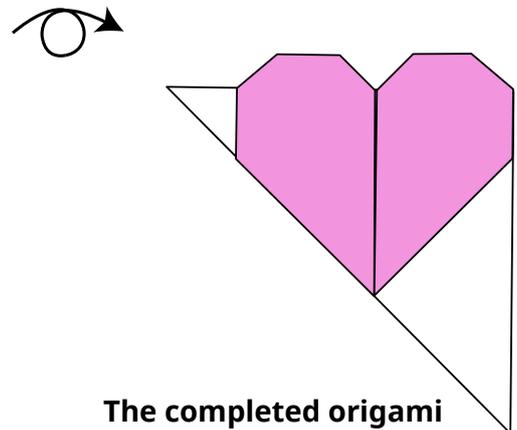

STEP 21: Fold the bottom right corner up along the diagonal of the square area.

STEP 22: Mountain fold the top strip into the pocket behind.

STEP 23: Gently spread the layers and turn the model over.
